<b>This is our full Income Disclaimer. Please be sure to read it carefully so you know exactly where you stand:</b>					
<p>As with normal business practice, all terms and pricing are subject to change without notice and are not legally binding. Although the promotional items listed reflect our most recent pricing they may have inaccuracies, so please refer to your purchase agreement for legally binding terms and pricing. Note that individual results will vary and income success is not guaranteed. Our goal is to give you the products, support and education to help kick start your business, but the effort you put in is what will make or break your success levels. While our business system is proven by the genuine achievements of SFM members, this does not mean you will get the same results. There are those who will not earn any money at all with our program, because it all depends on your determination, hard work and ability to follow directions. As an entrepreneur, the understanding needs to be in place that you will take full responsibility for your business.</p>
